

VAPOR GRIP3

PREMIUM HIGH-VENTILATION GOALKEEPING GLOVES WITH GRIP3 TECHNOLOGY

Grip3 technology wraps around the thumb, forefinger and pinky, maximizing grip and control so no seams get between your fingers and the ball. A lightweight mesh keeps air moving around your hands to keep them cool and dry.

4MM CONTACT FOAM PALM
Absorbs shot impact, enhances grip from wrist to finger-tips.

WRAPAROUND WRISTBAND
Easy adjustment and a secure, comfortable fit.

PATENTED GRIP3 TECHNOLOGY
Wrapped thumb, forefinger and pinky for enhanced grip and control.

VENTILATED DESIGN
Allows cool airflow across the back-of-hand and between the fingers.
